

“La Creperie chez Zoe”

My name is Elvis, I am from Cabo Verde, living in Salamansa.

You will find 2 buildings on Salamansa beach, next to each other by the kitesurfing launch

zone.

One of the buildings is sophisticated looking, Western style with Swiss ownership. The other is mine called “La Creperie chez Zoe” is simple, in traditional Cabo Verde style.

We hope to keep 100% of the business with the locals of Salamansa so anything we earn can go back to the locals of Salamansa (and not to foreigners). Sorry to be so direct about this. We hope you like the authenticity of Salamansa. By helping us, Salamansa will remain authentic (and not like Sal or Boa Vista).

So please:

- Give us the chance to help you with kitesurfing + food and drinks
- Please let us know where we can improve (we have a lot to learn about European wishes for service)

So what does La Creperie chez Zoe offer?

We are a friendly local beach bar & restaurant right in front of the kitesurf scene.

A great place to soak the relaxed Cape Verdean atmosphere while having great food and cocktails after kitesurf sessions...

Salamansa is a windy and sunny beach (you can easily get sunburnt). Our place offers shade and windshelter.

I have learnt my passion for cooking in Paris serving quick bites and full meals. My wife Olga is helping and trying to make each guest feel like at home and our daughter Zoe will try to catch your attention.

On Sunday at lunch the bar is becoming busy with local families coming especially from Mindelo to have a nice meal while enjoying the scenery of the beach.
