

Kitesurf Cabo Verde

Kitesurf Lessons

Background

One ingredient is clearly missing for kitesurf lessons: the ideal condition for learning which flat water.

For beginners is very hard to learn with waves (strong rip current) and there is no place to stand with flat and calm water.

Lessons offered

Keep in mind that there is no certified instructor speaking English or French in Sao Vicente. However Ola, an IKO certified instructor with 5 years of experience of teaching at Salamansa is helping me and can come to Salamansa if needed. If you are interested to learn to kitesurf in Sao Vicente, please let me know in advance so we can plan ahead (Ola spends time between the UK and Sao Vicente).
